A little bit about Poppy & Marley...

Poppy and Marley came to the centre via an inspector as their needs were not getting met, they have been at the centre for quite some time now due to legal proceedings. They can now finally start their search of a forever home with a family who are going to love and cherish them like they deserve. Poppy and Marley are very gentle natured dogs who are really quite shy of people they do not know, once they have spent some time with you and know you are not going to hurt them they are the most fantastic and loving guys. Poppy and Marley are absolutely devoted to each other, they have been through so much together and side by side they came out the other end. We will be homing them together as they just would not cope being split up, they really are such sweet dogs and deserve to be in a loving new home. Poppy and Marley are looking for the quite life with a family who will cherish them. They will need an adult only home where they can settle in to home life once again.
