A little bit about Selina...

Selina is a sweet girl who came to the centre via an inspector after her needs were not getting met. Selina is a very friendly girl who seems to enjoy the quieter side to life. She can often be found snoozing in her comfy bed next to heater, she will have a fuss and a snack then off back to bed for a nap. Selina is a such an affectionate cat who always comes running for a fuss, she will make a fantastic addition to the family. Selina has not had the best start to life and came into RSPCA care in terrible condition, she is now on the road to recovery and ready to find a loving new home. Selina does suffer with allergies and at the moment is on an allergenic diet, she could possibly come off this food when she has settled into her new home. Selina could live with children aged 6 years and over and will need to be a permanent house cat.
