A little bit about Cody, Jesse, Garrett, Cassidy & Parker...

Really sweet but nervous boys who came to the centre with many more guinea pigs as their owner had passed away. They have not been handled very much before arriving at the centre so will need patient adopters who will help them learn to trust people. They adore veg time and get super excited when its treat time, very sweet boys who will make you smile when they start singing. We can rehome these boys either as a six, in threes or pairs. They will be getting neutered. We are looking for accommodation where the hutch is a minimum of 5ft with an attached covered run of a minimum 6ft x 6ft x 3ft. Please remember though this is a minimum requirement and always think 'the bigger the better'. They will also require lots of enrichment to keep them happy and entertained. Any other accommodation will happily be discussed by staff at the centre. They will also need an inside area for the winter.
