A little bit about Teddy...

Teddy came to the centre as his previous owners could no longer keep him, he is a very sweet and friendly chap who really will make a great pet. Teddy is an active boy who just loves his walks and just loves being people, we are looking adopters who lead an active lifestyle so he is kept entertained. Teddy is sociable with other dogs so could live with another one after a successful introduction at the centre, he is suitable to live children aged 6 years and over.
