A little bit about Jessie...

Jessie came to the centre as her previous owner could no longer take care of her, she is the sweetest little dog who really does just want to love and be loved. Jessie has not had very good experiences with other dogs and this has left her very fearful around them. We are looking for understanding owners who will help her overcome her insecurities with patience and lots of TLC. Jessie really is a smashing girl with an absolute heart of gold, we would love to see her settled in her new home as soon as possible as she is struggling with kennel life. Jessie is housetrained, walks well on the lead and is generally a fantastic dog. Due to her past experiences with other dogs she will need to be the only dog, she is suitable to live with children aged 13 years and over

My personality...

I walk nicely on a lead

I can be left alone for short periods

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm quiet but full of love

I'd prefer to be the only dog in a home
