## A little bit about Patch And Leigh...

Patch and Leigh are shy but sweet cats who came to us via an inspector after their needs were not getting met. They will need a quiet home with understanding adopters who will give them the love and stability they need to blossom into the loving pets we know they can be. Patch and Leigh are very bonded to each other so we are looking for a home where they will stay together, Patch is the most confident so Leigh relies on her to make sure it's safe. Once they know you and have settled they are really loving cats and love having a fuss and a cuddle. They are suitable to live with other cats and children aged 12 years and over.
