A little bit about Lilly and Loki...

Lilly & Loki came to the centre via an inspector after their needs were not getting met. They are sweet cats who love each other very much so we are looking for a home where they will stay together. Lilly and Loki are very quiet cats who will need a quiet home, Loki is really quite shy with Lilly being the most confident of the two. Lilly and Loki have not had the best start to life so we are looking for them to find a loving new forever home where they will be loved and cherished like they deserve to be. They will be best suited to an adult only home due to their shyness and they are not used to being around children. Lilly and Loki would be suitable to live as house cats.

My personality...

I may be able to live with another cat

I need to be kept indoors

I'd prefer an adult only household

I'm a shy guy; I'll need time to settle
