## A little bit about Rosie...

Rosie came to the centre via an inspector after her needs were not getting met, she is such a sweet natured dog who loves to try and sit on your lap for a cuddle. Rosie likes her walks and likes to socialise with other dogs although her size sometimes overwhelms the smaller dogs. Rosie would benefit from some further training which she would love as she really does love being with people. Rosie will need adopters who will not leave her on her own for long periods as she is not used to this and will need teaching it really is ok to be on your own. Rosie could live with another dog after a successful introduction at the centre.

### My personality...

I need training how to sit nicely (and then I can master the rest)

I can be left alone for short periods

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm a gentle giant (big and strong)

I may be able to live with another dog
