A little bit about Karrisa...

Karrisa is a sweet old girl who came to the centre after her owner could no longer take care of her. Karrisa is a quiet little dog who will need a quiet home where she can spend her retirement days cuddled up on the sofa with her new family. Karrisa is a little bit of a diva who likes all the attention so although she will walk with other dogs she will not share her home with one. Karrisa will need someone who at home most of the time as she is not used to being on her own. We would love to see this sweet natured dog in her forever home. PLEASE NOTE, Karrisa is currently in a foster home so we will need to arrange an appointment for potential adopters to visit her.
