A little bit about Sasha...

Sasha is a sweet girl who is really missing being part of family life. Sasha finds the kennel way of life quite daunting so we are hoping her stay in kennels is a short one. Sasha is perfect in the house, she is housetrained. can be left on her own for short periods and just loves to snuggle up with you. Sasha unfortunately is not sociable around other animals so will need to be the only pet in the home. We would love to see this sweet girl back in a loving home where she belongs. Sasha is suitable to live with children aged 8 years and over.

My personality...

I know how to sit (and lots of other commands too!)

I can be left alone for short periods

I'd prefer not to live with a cat

I could live with children of secondary school age

I'm always on the go

I'd prefer to be the only dog in a home
