## A little bit about Milou & Bear...

Milou and Bear came to the centre as unfortunately the child was allergic to them, they are very sweet cats who will make wonderful pets. Bear ( the kitten ) is a very confident, loving and playful chap whilst Milou is a little on the reserved side. They both absolutely adore a fuss and will sit and lap up as much as they can get. Milou likes to chill out in her bed while watching Bear run around having fun and investigating everything, they really do compliment each other. They will make wonderful family pets and will be a fantastic addition to the family. They are suitable to live with children aged 10 years and over and will need to be permanent house cats.
