A little bit about Pugsy...

Pugsy came to the centre as sadly his previous owner was no longer able to look after him. He is a funny, cheeky and friendly lad who is missing being part of a family. Pugsy is just looking for a retirement home where he can spend the rest of life chilling out and snoozing his days away in the comfort of a loving home. Pugsy does not need a very active home, he does however still enjoy his little walks out and about enjoying the Yorkshire countryside. Understandably at his age he does have a few aches and pains so he is on some pain relief for these which helps him carry on enjoying life. Pugsy really is a smashing lad who will make someone a really lovely companion and friend. Pugsy is sociable (a bit too sociable sometimes) with other dogs but would be best suited to be the only dog in the home and could live with children aged 14 years and over.
