A little bit about Luca...

Luca came to the centre via an inspector after his previous owner could no longer meet his needs, he is a very sweet but quite a shy boy at the moment. He is slowly coming out of his shell and gaining in confidence, he will come to you for a fuss and actually really enjoys it. Luca is a real sweetie who just needs an adopter who will open their heart to him and give him the safe, loving home he craves. Luca would benefit from a home where he can have a spare room while he settles in and then when he is confident he can start to explore the rest of the house. He would need a quiet home where he can settle in his own time. Luca will make a really lovely and loyal best friend for the family lucky enough to adopt him. Luca will need an adult only home where he is the only pet. Luca would be a suitable house cat.

My personality...

I need to be the only cat

I'll probably spend more time inside

I need an adult only home

I'm a shy guy; I'll need time to settle
