## A little bit about Nora...

Nora is a really lovely girl who is currently in a foster home, she gets on well with the existing cat so could easily live with another cat. She is such a friendly, loving, playful and affectionate little kitten who really will make the most wonderful addition to the family lucky enough to adopt her. Nora would need adopters who are at home most of the time while she is still so young, she loves to sit on your knee and snuggle in for cuddles on the sofa. Nora can live with other cats and children aged 8 years and over.

### My personality...

I may be able to live with another cat

I need to be kept indoors until I am neutered

I could live with children of secondary school age

I love company and would like you to be around a good part of the day
