## A little bit about Blue...

Blue is a really sweet boy who came to the centre via an inspector after his needs were not getting met. Blue is a young, friendly and really lovely lad who loves to live life to the max. He lives for the moment and loves to be out and about enjoying every second he is out. Blue is a happy dog who would love to be part of a loving family who will take him on lots of exciting adventures, making up for all that he has missed out on. Blue has a genuine zest for life and always wears a smile on his face, he will make someone the most fantastic family pet. Blue is sociable around other dogs although he can sometimes be a bit over the top with smaller and older dogs, he would benefit from some basic training as he does sometimes forget his manners. Blue loves to be with his people so he will need adopters who will not leave him on his own very much while he settles in. Blue is a happy go lucky kind of guy who will make his family a very loving and loyal best friend. Blue is suitable to live with another compatible dog after a successful introduction at the centre and children aged 8 years and over.
