## A little bit about Gizmo...

Gizmo is an absolute gem who came to the centre as sadly her loving and devoted owner passed away. Gizmo really is the most sweet and gentle old lady you could wish for and she deserves to be back in a loving home. Gizmo has been given a clean bill of health by our vets, she had bloods run and they came back all normal so as you can see despite her age she is in good health. Gizmo does spend most of her snuggled up in her cosy bed which is understandable, she will always come for a fuss when she knows you are there and will happily sit there for as long as you have got. Gizmo is clearly missing her previous owner so we would love to see her back in a loving home. Gizmo will need a nice quiet home where she can relax in peace and enjoy her retirement, she will need to be a permanent house cat where she is the only cat.
