## A little bit about Dennis & Wendy...

These gorgeous friendly kittens were found abandoned all alone, they are now ready to look for their forever home. They are both very friendly, loving and affectionate and will make the most wonderful addition to any family. Dennis and Wendy are very playful, happy and cheeky little guys who are looking forward to a wonderful life ahead of them. Dennis and Wendy will need someone who is at home most of the time while they are still so young, they will love a home who will enjoy playing with them and keeping them entertained. They really are a very lovely pair of kittens. They are suitable to live with children aged 6 years and over and will be suitable to live with other cats.
