A little bit about Lady...

Lady is a sweet girl who came to the centre as her previous owners could not manage her needs. Lady is a lovely, lively and friendly girl who loves to be out and about doing things with her people. Lady is very keen to learn new things and is super intelligent, Lady will need experienced dog owners who are willing to continue with her training. Lady is sociable with the dogs she walks with from the centre and is quite a playful girl, she does need controlled introductions when meeting new dogs. Lady is an active girl so we are looking for adopters who lead an equally active lifestyle where they will take her on exciting adventures. She loves being out and about taking in the Yorkshire countryside, she makes the most of every minute she is out. Lady will need someone who is at most of the time while she settles in and will need her family to teach her it is ok to be left on her own. Lady is a super girl who will make someone a very loving and loyal best friend. Lady is best suited to being the only dog in the home and could live with children aged 14 years and over.
