## A little bit about Shadow...

Shadow is an absolute star, such a lovely boy who came to the centre as his previous owner could no longer keep him. Shadow is ever such a friendly, gentle and kind cat, he will always come for a fuss and thoroughly enjoys getting lots of attention from you. He would prefer a quiet home where he can just chill and enjoy life. Shadow is the kind of cat who would love to come and share the sofa with you while watching tv or reading your book, he really is a very nice guy who deserves to be a loving home snuggling up with his new family. Shadow will need to be the only pet in the home and could live with older children aged 12 years and over.

### My personality...
