A little bit about Zola...

Zola is a sweet girl who came to the centre via the local warden. Zola can be a little shy when meeting people for the first time but it really does not take too long for her to settle. Zola is a very active dog who is always on the go, she will need an equally active family who will keep her both mentally and physically stimulated. She will need a family who have a secure garden for her to run and play around in. Zola is lovely girl who would love a family who will take her on long and exciting adventures, there is a whole world out there just waiting for her to go and explore and have fun times. She is a great natured girl just waiting for her new family to come along. She will need some further training so she will need a family who is prepared to continue with her training. She is super intelligent and keen to learn. Zola is great with other dogs so could live with another dog after a successful introduction at the centre and could live with children aged 13 years and over.
