A little bit about Pepper & Lara...

Pepper & Lara came to the centre via an inspector after their needs were not getting met, they are very sweet and gentle girls who are quite shy at the moment. Pepper (grey and white) is the most confident out of the two and will now come out for a fuss, Lara is still quite scared and taking a little bit longer to regain her trust in people. These gorgeous girls just need a quiet kind family to take them under their wing and help them overcome their insecurities. Their new family will need a room they dedicate to them while they settle in and as they become more confident they can then investigate the rest of the house. They really have had a rotten start and deserves to get the fairy tale ending. They will need to be homed together, in an adult only home where they are permanent house cats.
