## A little bit about Jessie...

Jessie is a really lovely girl who came to the centre when her previous owner sadly became too unwell and could no longer look after her. Jessie has been really well cared for and is finding kennel life a little overwhelming, she is settling in now and coming out of her shell. She can be quite shy when meeting people for the first time but it does not take her too long to come round. Jessie is such a great dog who will make the family lucky enough to adopt her a really smashing, loving and loyal best friend. Jessie loves being out and about taking in the Yorkshire countryside air. She would love a family who will take her on exciting and interesting adventures. Jessie is great in the house and is fully housetrained, she really is a marvellous girl just waiting for her happy ever after. Jessie is sociable with most other dogs and could live with one after a successful introduction at the centre, she could live with children aged 10 years and over so long as they understand to give her some time and space to get to know them.
