## A little bit about Gecko...

Gecko is a lovely but quite shy boy who was unfortunately returned to the centre as his devoted adopter sadly passed away. Gecko is a little overwhelmed at the moment as he does not understand why he has not only lost his home but his owner as well. He is slowly settling back in and is more than ready to find his new family who will mend his broken heart. Gecko has always been a quiet shy cat so we are looking for a quiet family who will let him settle in his own time, he is a really sweet boy who will make someone a really lovely and loyal friend. He has had so much bad luck in his short life that he really does deserve his happy ever after. Gecko is a permanent house cat, best as the only cat in an adult only home.
