A little bit about Pedro...

Pedro is a fantastic little guy who came to the centre as an unclaimed stray. Pedro is such a friendly, chilled out boy who would make the most wonderful family pet. He adores his fuss time and also loves playing with his toys whether it is by himself or with you. Pedro would love a home with a family who will let him share the sofa with them and snuggle up with, he loves being with his people and will often climb on you for cuddles. He is a great cat who will make a great friend and addition to the family. Pedro could possibly live with another cat, he can live with children aged 4 years and over.

My personality...

I may be able to live with another cat

I'll probably spend more time inside

I could live with children of primary school age

I love company and would like you to be around a good part of the day
