A little bit about Kiki...

Kiki is a really sweet boy who came to us via the police after his owner passed away, Kiki has found the whole situation very overwhelming and has been really sad. Kiki is slowly settling in to life in a rescue centre but all he really wants is to be in a home where he is loved and cherished. At 15 years old Kiki does not ask for much, a comfy warm bed, good food and lots of love where he can just chill and enjoy his retirement. He would love to snooze his days away on a comfy sofa with you for company, he just needs a nice quiet home where he can be left to enjoy life. Kiki has been through so much lately that we would love to see him happily settled in a loving new home.

My personality...

I need to be a permanent house cat

I need an adult only home

I'm a golden oldie
