A little bit about Logan...

Logan is an absolute sweetheart who came to the centre after he was found abandoned on the streets. Logan is a typical young, cheeky, friendly and playful kitten who will keep himself entertained playing with his toys. As soon as he hears you coming he runs as fast as lightening to come and get some snuggles, his purr is as loud as a lion. Logan will make his new family the most wonderful best friend. Logan can live with other cats and children aged 6 years and over, his new adopters will need to be at home most of the time while he is still so young.
