## A little bit about Tetley...

Tetley is a sweet but extremely scared little boy, he came to the centre via an inspector after being abandoned by his previous owner. For this reason sadly we do not know his history or what trauma he has been through to make him this scared of people. Tetley will need really patient and understanding adopters who will help him overcome his insecurities and learn to trust again. Tetley will need a family who have a secure spare room they can dedicate to him for as long as he needs while he is settling in and building his confidence. It truly is heart breaking him hiding away from the world only coming out when we have left the cattery and no one is around. He is slowly adventuring out and will now at least come on the inside and sleep in his comfy bed although he still likes to hide under his blanket. We would love to find someone who will open their heart to a very lost soul and say yes Tetley, i'll take you and care. He will need to be a permanent house cat in an adult only home.
