A little bit about Luke, Avery & Juliette...

These sweet little guys were brought to the centre as they were found abandoned in a hedge together. They really are lovely kittens who will make wonderful additions to the family. Avery is the most confident, followed by Juliette and then Luke is the little shy one. Once he settles though he is quick to come for a fuss, they all love being around people and just love a fuss and a cuddle. They will all make super family pets and can be homed separately, they can live with other cats as they are super friendly, Avery and Juliette can live with children aged 6 years and over but Luke will just need a bit of a quieter home with children aged 10 years and over. Avery - first grey male. Juliette - black female. Luke - third grey male.

My personality...

I may be able to live with another cat

I need to be kept indoors until I am neutered

I could live with children of primary school age

I love company and would like you to be around a good part of the day
