## A little bit about Calypso...

Calypso is a sweet but shy girl who has sadly found herself looking for a loving new home. She is friendly but slightly nervous until she gets to know you. Calypso will need a nice quiet home with adopters who have a calm and quiet lifestyle. Calypso likes to hide away while she is settling in and will then start to venture out and relax, she loves a fuss and will happily rub round you for attention. She is not confident enough yet to play with toys but we are sure when she is in her new home and settled her playful side will come out. She just needs a patient, understanding adopter who will give her lots of TLC. Calypso will need an adult only home who have a spare room she can have while settling in and where she will be a permanent house cat.
