## A little bit about Hank...

Hank is a sweet boy who came to the centre via the dog warden as an unclaimed stray, for this reason unfortunately we do not have any previous information on his past. Hank can a little shy when meeting new people, so long as people do not invade his space, it does not take him too long to come round. Once he knows you, he is super friendly and loves being with you. He is a happy, playful and active boy with bounds of energy, he will need active adopters who will take him on exciting adventures. Hank really is a joy to be around and can always make you smile, he has so much to offer his new family and is desperate to start a new chapter of his life with them. Hank is sociable with other dogs so will be able to live with another ( so long as they match his energy levels ), he will need adopters who will not leave him on his own to begin with. He could live with children aged 11 years and over providing they understand he will need time to settle and need his own space. He will need his own secure garden.
