A little bit about Ross, Charity, Mandy & Chas...

These lovely little bundles of joy came to the centre via an inspector as their needs were not getting met. They are typical puppies, playful, mischievous and loving. They are at the perfect age to be finding their forever homes and are looking forward to a long prosperous life with their families. They really are very sweet puppies who will make wonderful family pets. They are suitable to live with other dogs, children aged 8 years and over and will need someone at home with them while they are still so young.
