A little bit about Maze...

Maze is a sweet but very shy little cat who came to the centre with her 5 kittens after her previous owner was unable to keep them. Maze will need an understanding adopter who will give her the time she needs to settle in and learn to trust her family, she will need a family who will help her overcome her insecurities and show her life really is not that bad after all. Maze does spend most of her time hiding away from the world, only coming out when we have all gone home and it is quiet, it is very sad when cats hide away but a rescue centre is just too busy for cats like Maze. Maze did a marvellous job rearing her kittens but it is now her turn to be the apple of someone's eye, it is her turn to be looked after and loved unconditionally. Maze will need a nice quiet home with adopters who have a spare room Maze can have for as long as it takes for her to settle and trust her new family. Once in a nice quiet, warm and loving home we believe Maze will flourish and become a loving member of the family. Maze will need to be the only pet in an adult only home where she will be a permanent house cat..
