A little bit about Raven , Pigeon, Wren, Magpie & Finch...

These lovely kittens were born here at the centre after their mum was found abandoned by her previous owner, they are sweet little kittens who are now ready to find their new families and their forever homes. They will need adopters who are at home most of the time while they are still so young, they are playful, cheeky and mischievous, everything little kittens should be. They are suitable to live with other cats and children aged 6 years and over.

My personality...

I may be able to live with another cat

I need to be kept indoors until I am neutered

I could live with children of primary school age

I love company and would like you to be around a good part of the day
