## A little bit about Edward - Lucas...

Edward & Lucas came to the centre with their sisters and mum after their previous owner could no longer keep them. They were quite nervous and frightened when they first arrived here at the centre. They have grown in so much confidence and are flourishing into the most marvellous boys. They are playful, cheeky and happy brothers who would love to find a family of their own where they can enjoy life as it should be. They are suitable to live with other cats but will need an adult only home and will be suitable permanent house cats. They would love to be homed together. Edward - Black Lucas - Black & White
