A little bit about Fifi...

Fifi is a sweet girl who came to the centre as her previous owner could unfortunately no longer keep her. Fifi is a nice quiet little cat who was initially quite overwhelmed at being here at the centre. Now she has settled and her confidence has grown she is a really friendly girl who loves to come for a fuss. She has a lovely loud purr when you stroke her. Adopters will just need to bare in mind she be a little shy when moving to her new and will need a little time to settle. She likes to hide when feeling a little anxious so lots of boxes and hidey places for her will help her no end. Fifi is a friendly cat who would love to be your sofa buddy, snuggle up with you and be your best friend. She will need to be the only cat in an adult only home.
