A little bit about Taxi...

Taxi is a very sweet and friendly little girl who will make the most fantastic family pet. This lovely little girl literally comes running for a fuss as soon as she knows you are coming. For such a little girl she has the most amazing purr, she loves to play and just loves to be with you. Taxi will need adopters who are at home most of the time while she is still so young, she is super confident, super friendly and will make the family lucky enough to adopt her a wonderful best friend. Taxi is suitable to live with another cat, children aged 6 years and over and would be suitable to be a permanent house cat.

My personality...

I may be able to live with another cat

I need to be kept indoors until I am neutered

I could live with children of primary school age

I love company and would like you to be around a good part of the day
