A little bit about Trixie...

Trixie is a sweet girl who came to the centre as her previous owner no longer wanted her. Trixie is a lap dog through and through, she will take every opportunity to jump on your lap for cuddles. Trixie enjoys going for her walks and walks well on the lead, she is quite a laid back dog and not really that interested in training, much preferring to just have a cuddle from her people. Trixie struggles a little when being left on her own so any potential adopters will need to be at home most of the time and help her overcome her insecurities. Trixie is a genuinely lovely dog who will make a great addition to the family. Trixie is sociable with other dogs and could live with another after a successful introduction at the centre and could live with children aged 10 years and over.
