A little bit about Milo...

Milo is a fantastic lad who came to the centre as sadly his devoted passed away, understandably Milo has been quite overwhelmed at losing his dad and adjusting to kennel life. Milo has a wonderful nature and has been an absolute delight to take care of here at the centre. Milo is an active energetic boy who will need adopters who lead an active lifestyle and take him on lots of exciting walks and adventures. Milo is very sociable with other dogs and has walked nicely with different dogs here at the centre, he has also lived with other dogs in his previous home so would be able to live with another again after a successful introduction at the centre. Milo is ready to pack his bags and start a new life with a new family, could you be the ones to mend his broken heart? Milo is suitable to live with children aged 10 years and over and again suitable to live with other dogs.

My personality...

I know how to sit (and lots of other commands too!)

I need teaching that it's ok to be alone

I could live with children of secondary school age

I'm always on the go

I get on well with many other dogs

I love fuss and attention
