A little bit about Nina...

Nina is a sweet girl who came to the centre as her previous owner could no longer keep her. Nina has a tough time of late and struggled to adjust to kennel life. Thankfully Nina is now in a much happier frame of mind and her lovely nature is shining through. Nina although settled now still lacks in confidence and looks to her people for reassurance, she just needs a little time to adjust to new people and new surroundings. Once she knows you she is the sweetest most lovely and gentle girl who will make a fantastic addition to the family. Nina is very sociable with other dogs while out on a walk and loves to play, she has a best friend here at the centre that she has a play with. She walks well on the lead and is much more confident when she is with another dog. Nina was extremely underweight when she first came to the centre, she is slowly gaining weight and looking much healthier. She still needs to gain a few kilos but she is certainly heading in the right direction. She is now ready to find herself a forever home and her happy ending. Nina is suitable to live with another dog after a successful introduction at the centre and will need an adult only home.
