A little bit about Sage...

Sage came to the centre via an inspector after she was found abandoned in a house. She is a sweet girl who can be a little reserved until she gets to know you. She is friendly and enjoys a fuss but also knows her own mind and knows when she has had enough. Sage will need a quiet home with adopters who will give her the time and space she prefers, she is very friendly but also likes her own space. Sage is slowly coming out of her shell and has started to play with toys, her favourite being a feathered wand toy. We would love to see this sweet girl in a home with a family who will love her with all their heart, it the least she deserves after her traumatic past. Sage will need to be the only cat in an adult only home. She will make a suitable house cat if needed.

My personality...

I need to be the only cat

I'll probably spend more time inside

I need an adult only home

I'm independent; I like to do my own thing!
