A little bit about Bacon & Eggs...

Bacon & Eggs are very sweet natured girls who came to the centre via an inspector after their needs were not getting met. They are both very friendly cats who absolutely love being with you getting lots of love and attention, they enjoy playing with their toys whether it is with each other or with their people. After a good play they are happy to have a snack and curl up with each other for a nap. They are sisters and very much bonded to each other so we will be homing them together. Bacon and Eggs could potentially live with other cats and children aged 6 years and over. They would be suitable house cats if needed.
