A little bit about Marlon...

Marlon came to the centre via an inspector as his needs were not getting met. He is a very sweet natured boy who is happy, energetic and playful boy who will an absolutely wonderful best friend. Marlon will need adopters who lead an active lifestyle, taking him on long, interesting and exciting walks, he will need a family who will keep him both physically and mentally entertained. He is busy boy who just loves being out and about, doing everything a spaniel loves to do. A walk around the block simply will not be enough to keep this boy entertained. Marlon is pretty sociable with most but not all other dogs, he can be a little reactive to male dogs. If he was to live with another dog, it would need to be a spayed female. He could live with children aged 8 years and over.
