A little bit about Barney...

Barney is a sweet natured guy who came to the centre as his previous owner did not have enough time for him, he is extremely friendly and is happy to meet new people and loves being around dogs. Barney is an active boy who enjoys going on long interesting walks so we are looking for adopters with an active lifestyle to keep him entertained and stimulated. Barney would benefit from some further training but on the whole he is a well behaved boy who just loves to be with you. Barney struggles with being left on his own so we are looking for adopters who are around most of the time. He is suitable to live with other dogs and children aged 6 years and over.
