A little bit about Madeira...

Madeira is a sweet girl who came to the centre via an inspector with her litter mates, she was adopted out but sadly it just did not work out and she was unfortunately returned to the centre. So here she is now looking for a fresh start and a new home. She is a really lovely girl who will make a family a very loving, loyal and wonderful best friend. Madeira will need someone that is home most of the time while she is still so young. Madeira is a clever little puppy who just loves learning new things and being with her family. Madeira is suitable to live with other dogs and children aged 8 years and over.
