A little bit about Poppy & Penny...

These two gorgeous girls came to the centre as their previous owner could not meet their needs, they really are a lovely pair of sisters who will make wonderful family pets. Poppy & Penny absolutely love being with you and getting lots of fuss and attention, they love playing with their toys and then find the warmest place to curl up together and have a snooze. They are playful and active and will need a home where their new family will keep them entertained with lots of toys and new things to investigate. Poppy & Penny will be the family lucky enough to adopt them the most fantastic, loving and loyal best friends. They are suitable to live with children aged 6 years and over, it is unknown if they can live with another cat. They will need to be permanent house cats.
