A little bit about Gizmo...

Gizmo is a sweet boy who came to the centre via an inspector after he was unwanted by his previous owner. Poor Gizmo was sadly in the best shape when he first arrived, he was generally just very run down and very scared of the world. Gizmo was given the time and patience he needed to settle and he is now coming out of his shell nicely. He has now been neutered and his wounds are healing so he is now ready to start his search of a forever home. Gizmo now loves a fuss and will come straight to you when you open his cubicle, seeing such a positive improvement in such a short space of time is incredible and testament to his character. He is so ready to find a family of his own who will love and cherish him. Gizmo will need to be the only cat in the home and could live with children aged 13 years and over. Would be a suitable house cat if needed.

My personality...

I need to be the only cat

I'll probably spend more time inside

I could live with children of secondary school age

I'm a shy guy; I'll need time to settle
