A little bit about George & Poppy...

George and Poppy are such sweet natured dogs who came to the centre as their previous owner moved. George and Poppy are absolutely devoted to each other so we are looking for a home where they will remain together. They are gentle dogs who will make fabulous pets. George and Poppy may be on the older side but they still enjoy their walks and like getting out and about meeting both people and dogs. We would love to see these lovely amazing dogs settled in a loving home with adopters who will cherish them for them for the rest of their lives. George and Poppy are suitable to live with other dogs and children aged 10 years and over.
