A little bit about Macey...

Macey is a sweet girl who came to the centre via the local stray dog service after being found abandoned. We have found her to be a very friendly girl who seeks out affection from you. Macey is an active and playful girl who loves to be out and about investigating new things. She loves her walks, taking in all the Yorkshire countryside has to offer. Macey will need patient adopters who will help her settle in to a home environment, she may never have lived in a home and part of a family before. She is a lovely natured dog who just wants that chance to snuggle on the sofa with a family who will love her as much as she loves them. Macey is sociable with dogs when she knows them and walks well with other dogs from the centre, she loves to play and can be quite excitable. She will need adopters who can help along the way. Macey is suitable to live with children aged 10 years and over and could live with a compatible dog after a couple of successful meets at the centre.
