A little bit about Ronnie...

Ronnie is a lovely little lady who came to the centre via an inspector after her previous owner could sadly no longer take care of her. She is a very sweet natured dog who absolutely loves a fuss and loves sitting on your knee for cuddles. Ronnie was a little underweight on arrival due to her teeth being in quite a bad state, she is booked in for her dental, is eating a little better on soft food and slowly putting some weight back on. Ronnie likes to have a potter out and about although she is not too active so does not need a huge amount of exercise, she much prefers being tucked up in a cosy warm home or snuggled on your knee. Potential adopters will have to let her be on the sofa with them and sleep in the bedroom. Ronnie is a very needy little dog who just loves spending time with her family, Ronnie is super social with other dogs of similar size but can feel a little intimidated by larger dogs. Ronnie will make a super addition to the family and will make the family lucky enough to adopt her a wonderful and loving pet. Ronnie is suitable to live with other dogs of similar size after a successful meet at the centre and could live with children aged 14 years and over.
