A little bit about Larry...

Larry is a sweet boy who came to the centre via the Stray Dog Service. Sadly little Larry was in appalling condition, his whole coat was completely matted. It was so bad that his entire coat had to be shaved off, he is now well on the road to recovery and ready to settle in to a new home with a family who will love him. Larry is a really friendly little guy who loves attention and loves to just sit on your lap getting lots of affection. Larry is still getting used to walking on a collar and lead and can sometimes find outside a little overwhelming. His new family will need to bare this in mind and take things slowly with him and help him overcome his insecurities. He will need someone who at home most of the time while he settles in. Larry really is a very lovely dog who will make the family lucky enough to adopt him a wonderful family pet. Larry is pretty sociable with other dogs his own size but can find bigger dogs a little overwhelming so could potentially live with another dog of similar size and children aged 13 years and over.

My personality...

I need training how to sit nicely (and then I can master the rest)

I need teaching that it's ok to be alone

I could live with children of secondary school age

I'm small but full of fun

I may be able to live with another dog

I love fuss and attention
